MAXX BRUSH

- Boar Bristle conditions, smooths and adds shine to hair.
- Added nylon tips are rounded to protect the scalp and will penetrate thick hair.
- Conditions hair.
- Scalp stimulation enhances healthy hair growth.

PRO TRIANGLE

- The Pro Triangle is designed for straightening and adding volume.
- The 3 flat surfaces produce a smooth line through hair. The rounded edge provides a bend. The flat surface creates the tension that helps direct the hair without constant spinning of the brush, which adds up to less work.
- Works well for creating straight hairstyles.

CR50-PRO

CR100-PRO

CR200-PRO

- The curved design brings hair towards the center of the brush offering more control and tension.
 - Nylon with added Boar bristle adds shine.
- The contour of the brush allows for closer contact with the scalp.
 - For all hair types.
